

Historic Displays A Feature of Golden Anniversary of AHS

Plans for the 50th Anniversary celebration at Antioch Community High School were coordinated at a meeting of committees at the High School Wednesday night, September 16.

Joan Tanner, representing the Student Council, outlined Council plans. The Homecoming will be directed by co-chairmen Bruce Dalgard, student council president, and Harrison Brown, faculty adviser for the Student Council. Committees have been set up to handle details of the Parade, scheduled for Saturday morning, October 10; the bonfire on Friday night, October 9; the Queen and her court; the Homecoming dance on Saturday night and the football game on Saturday, October 10, at 12:30 p.m. against Grant's Bulldogs of Fox Lake.

A change has been made this year in the schedule for announcing the Homecoming Queen. Traditionally, this event took place at the Homecoming Dance. In order to give the girl chosen queen a greater part in the activities, the Student Council voted to make the announcement at the Pep Rally and bonfire on

Friday night. The official coronation will take place at the dance as usual.

The Student Council plans to invite all former Homecoming Queens to attend the dance where they will be honored during the coronation. It is hoped they will be featured as part of the Homecoming Parade.

To supplement information found in past annuals and reports of homecoming, the council would appreciate being contacted by anyone with knowledge of former queens and their addresses.

Garnet Oddsen, chairman of the program committee for the Alumni Reception on October 11, said their plans are almost complete. An hour and a half program, scheduled for 3 p.m. Sunday, will include a skit planned and directed by Ken Smouse and the Palette, Masque and Lyre, and a variety program featuring alumni who helped make school years memorable with their talents. A special treat will be the appearance of Ron Riley, WLS disc jockey, as M. C. Ron is Ron Scully class of '52.

Plans are being made by the Reception committee for

a gala meeting following the program. Classrooms will be set aside for individual class reunions. The cafeteria will serve as a focal point for interclass gatherings.

Faculty members from the past have been invited and special tribute will be paid to current faculty members with long years of service.

Displays of old pictures, records, etc. are being planned for the school bulletin boards and trophy cases. The alumni committee has made arrangements for the sale of souvenir badges and an alumni booth will be open during the football game for registration of alumni.

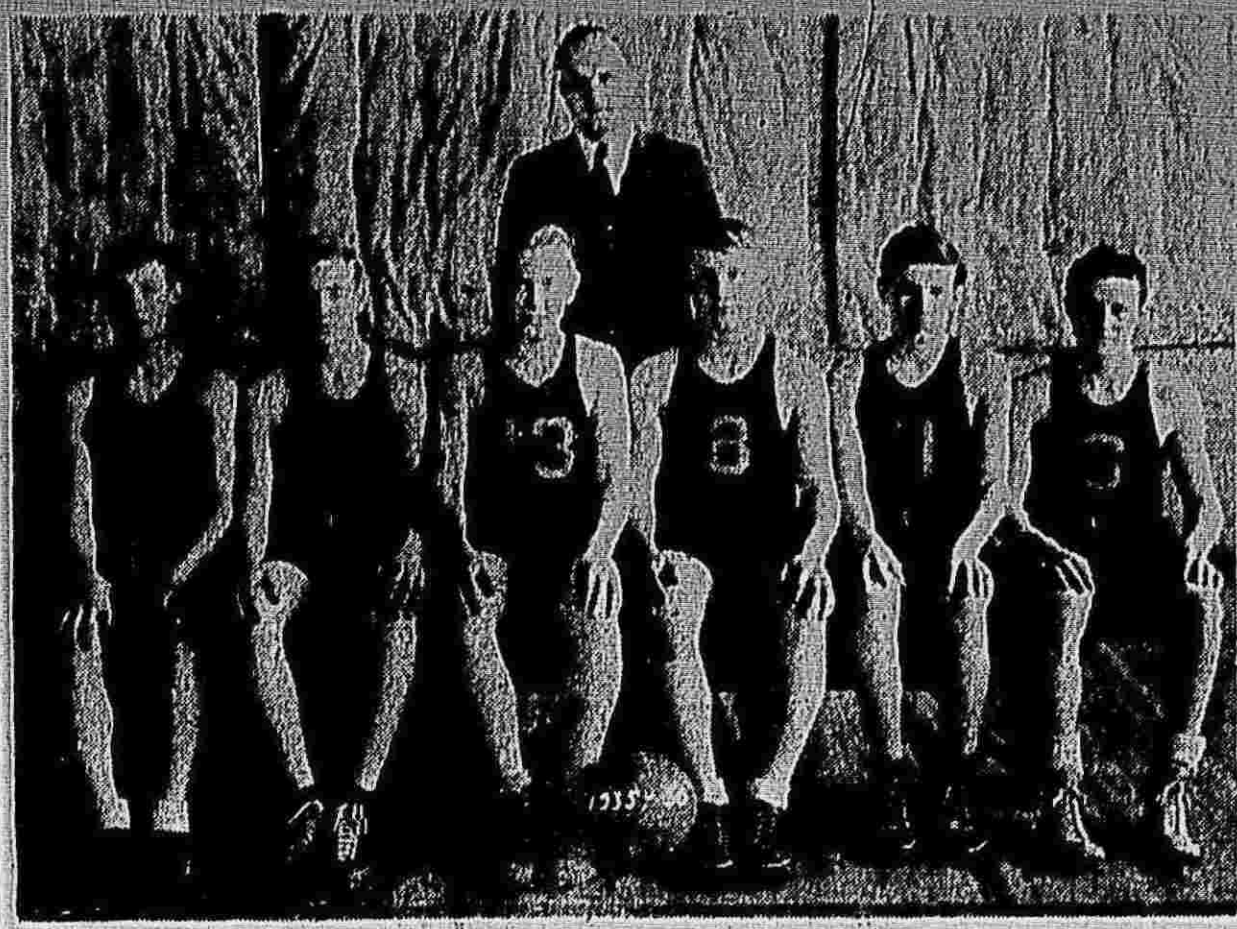

This 50th Anniversary celebration is for all previous students of Antioch High School. It is hoped that everyone who attended Antioch High School will try to make some part of the weekend activities. It has not been possible to reach all students, some of whom transferred to other schools or were unable to graduate, but an invitation is extended to each and every former Antioch High School student to take part in the Homecoming Weekend festivities.

Students Plan For Golden Year Events

The Student Council of Antioch High School made plans for several coming events at a recent meeting of the members.

Masaji Okubo will be the guest of honor at a tea for faculty members on September 29 at 3:45 p.m. The tea is planned to give faculty members a chance to get acquainted with the Foreign Exchange student. Plans for the tea are being made by Mrs. Molinaro, Home Economics Department, and Council members Joan Tanner, Rosemary Frank and Kathy Albrecht.

Committee chairmen for Homecoming events are Rosemary Frank, Queen and Court; Tom Morgan, Pep Rally, bonfire and field decorations; Mark Nelson, concessions and pins; Jim Edwards, parade; Lois Herman, Homecoming dance; Joan Tanner, programs; Dave Chandler, special invitations, and Kathy Albrecht, publicity.

The theme for the celebration will be "Sequoia's Path of Progress."

An attendance competition is under way for the Golden Anniversary Year at the school. Miss Heindl, school nurse, is encouraging the pupils to try to make this year outstanding with perfect attendance records. This will be each student's individual contribution to the celebration.

Two posters keep track of the attendance figures. One, marked "This is the Year that Was," carries attendance figures from last year. The other, marked "This is the Year that Is," carries the up-to-date figures for this year. Attendance of each class will be figured on a percentage basis monthly. Class with the highest attendance will have its color placed in the trophy case for the next month.

Also on Sept. 15, at 5:30 p.m., Yaki Finch, Sunnyhill Farm, was taken to Victory Memorial Hospital. Mrs. Finch suffered from asphy-

Antioch Woman Hurt In Hwy. C Accident

Delores Uksas, 26, of Antioch, was injured in an automobile accident at Highway 83 and C last Sunday evening, September 20.

Mrs. Uksas was a passenger in a car driven by her husband, Melvin R. Uksas. Uksas was westbound on Hwy. C and said he stopped for a stop sign at the intersection. He pulled out and was struck by a car driven by Willie Parker, Chicago. The Parker car was approaching the intersection on Highway 83.

Three passengers in the Parker car were also injured — John Gonzales, Lucille Gonzales and Juanita Brooks, all of Chicago.

C.C. Plans Golf Outing And Dinner

Golf all day, followed by dinner at 7:30 p.m., is the program for the Chamber of Commerce outing to be held on September 30.

Tee-off time is anytime, according to Dick Miller, chairman of the event. Gift certificates, good at any establishment that belongs to the Chamber, will be the prizes.

The outing is for Chamber members, and/or their wives and husbands. —George Diamond's is the site for the affair.

Bird-watchers' attention. Have you seen a white-headed black bird around recently?

Richard Ohlgren, Felter's subdivision, reports that he saw such a bird in a flock of blackbirds in his yard this week. It appeared to be an ordinary blackbird, except for the white head, and mixed sociably with the other birds.

Mr. Ohlgren says that an acquaintance reported rumors of an identical bird having been sighted at Blarney Island.

Adult Evening Classes Start At A.C.H.S.

Adult evening classes at Antioch Community High School will start Monday, September 28. Registration has been going on throughout the week at the high school office, and will continue through September 25. The office will also be open Thursday evening, September 24, from 7 p.m. to 8:30 p.m. Registrations will also be accepted by mail.

Average fee for courses is \$10, although some courses are slightly higher.

Monday night courses will include Gregg shorthand (Monday and Wednesday); Office Machines; Beginning Sewing; Intermediate Sewing; Use of Banking Services and the Planning of Spending for the Average Person; Adult Exercise Class and Home Furnishings.

On Tuesday evening there will be a class in Beginning and Intermediate Typing.

Wednesday night courses are Gregg Shorthand, Peoples of Asia: A Heritage of the Past, Adult Recreation program, Current Political Thought in this Election Year and Furniture Refinishing.

Information is available by phone at the high school office.

Don't Forget Tax Deadline-October 1

Antioch banks are accepting payment of taxes, both real and personal.

Deadline for payment of the taxes is October 1. After that date, there is a penalty.

Fatal Accident At Beach Grove Road

Edward A. Cregler, 63 years old, of 222 N. Berteau, Bartlett, Ill., was killed Sunday night when he reportedly went through a Stop sign at Beach Grove Road and Route 59 south of Antioch and was hit broadside by another car.

Driver of the second car, James K. Stubner, 25, of Rt. 1, Lake Villa, was not seriously injured. Witnesses confirmed his report that the Cregler car went through the stop sign on Beach Grove Road and drove into his path. Stubner was driving on Rte. 59.

Deputies found 144 feet of skid marks on Beach Grove Road from Cregler's auto. He was thrown from his car by the impact.

Cregler's body was taken to the Strang Funeral Home in Antioch, then to the Bartlett Funeral Home in Bartlett, for funeral services on Thursday, September 24.

Mr. Cregler had been employed as a maintenance foreman for a steel fabrication firm. He is survived by his wife, Eileen.

Cregler's death was one of five in traffic accidents in the county over the weekend. Others who died in crashes were Mrs. Eunice Neubacher, 26, of Elk Grove Village; Kenneth Kohout, 43, Libertyville; Irving Rogoff, 29, Barrington; and Mrs. Paula Mayer, 43, Chicago.

The total of traffic deaths for 1964 in Lake County is now 72.

Nu-Cue Opens In Antioch

The Nu-Cue Billiard Parlor, opening today (Thursday) at 893 Main St. in Antioch is a far cry from the dingy pool halls of the past.

"Bring the Family" is the slogan of the Nu-Cue. The floor is richly carpeted, the walls are paneled, even the tables contribute to the plush decor. No more plain green felt on every table—several colors of felt cover the tables and blend with the room decorations.

The Nu-Cue opens at noon today, and will be open from noon to midnight seven days a week from now on. Curfew laws will be enforced for the young set.

Don Molitor and Clayton Anderson are co-owners of the Nu-Cue. The Molitors also operate Jayne's Dress Shop in Antioch and the Grayslake Bowl. Mr. Anderson operates Ethel's Dress Shop in Grayslake.

Salem Central High Adds Six Teachers

Six new teachers have been added to the staff at Salem Central High School. They are Arthur Bennett, Math; Roger Bonnard, Special teacher; Keith Luide, Glee Club and English; Rex Merriam, Industrial Arts; Geoffrey Watson, Physical Science, and Leon Furman, English.

Mrs. Lorraine Pospisil, former home economics teacher, is replacing Mrs. Mary Polley, who is on leave to get her Master's degree at Normal, Ill.

William Godshall is also on leave, working for a Master's degree at the University of Wisconsin at Madison.

H.S. Board Arranges Home Study For Youth

Thanks to the marvels of modern electronics, John Thompson, Lake Villa, will be able to keep up with his high school studies this year, despite the fact that he can't leave his home.

John's problem, and the solution, was discussed at the meeting of the Antioch High School Board of Education last Wednesday night. Superintendent Albert Dittman brought the board up to date on the arrangements made to bring the classroom into the Thompson home.

John Thompson, the son of Mr. and Mrs. William Thompson, was injured in an automobile accident last summer. Just home from the hospital, he started classes Monday.

A two-way inter-communication system has been set up between the school and John's home, with the cooperation of Illinois Bell Telephone Co. With the system, he can listen in on his classes at school, the teachers can speak to him, and he can speak to them.

In addition, John will have the benefit of help from a couple of teachers from the Special Education District who will come into his home once or twice a week to help him with his studies.

It is expected that John will be able to return to his studies at the High School in six or seven weeks.

A letter was read to the Board from the State Department of Public Instruction giving state recognition of the program at the High School.

Another letter, from NI Gas, informed the school board of rate reductions from which the school is expected to benefit in the amount of about \$1,000.00 annually.

A letter was received from Dr. W. C. Petty accepting the board's invitation to be the guest speaker at the Golden Anniversary Commencement Exercises on June 8, 1965.

The board approved a bill for \$110.00 for putting check valves in the sewer lines to the new athletic field. The valves will make it possible to clear the lines in cold weather when the system is not in use.

The complete facilities at the athletic field will be in use for the first time this Saturday during the football game. Rest rooms, water fountains, etc., are now available, plus two teams' rooms for the use of the teams.

The school bus garage was damaged during a severe wind storm last summer. Repairs were made at a total cost of \$441.00, of which insurance paid \$301.

The new Board Manual on Policy and Teachers Rules and Regulations were presented to the board and approved. Committees have been working on the manuals for some time.

The board manual clarifies the relationship of the board and administration in matters of discipline.

Anthony Bucaro, 40, of 216 Willow Road, Channel Lake, was taken to the Antioch Clinic by the Rescue Squad after he fell off a bike Saturday night.

The Bucaro boy was riding double on the bike with another boy when the leg of his pants caught in the chain and caused him to fall. They were riding on Lake Avenue at the time of the accident, at about 8:30 p.m.

The Bucaro boy received cuts and bruises and was taken home after treatment.

On Sept. 15, the squad took Raymond Valenziano, Rt. 1, Box 308, Antioch, to Zion Memorial Hospital, suffering from an asthma attack.

The squad was called to Jerry's Service Station on Routes 41 and 173 to aid Valenziano. On Sept. 15, the squad took Ann Smith, 60, of Route 21, Antioch, to the Antioch Clinic suffering from chest pains.

Also on Sept. 15, at 5:30 p.m., Yaki Finch, Sunnyhill Farm, was taken to Victory Memorial Hospital. Mrs. Finch suffered from asphy-

Burglars Break Into Spring Valley C. G.

Spring Valley Country Club, north of Antioch at Highway 83 and C, was broken into and burglarized last Saturday night.

A total of \$190 in cash and three cases of whiskey were reportedly taken from the clubhouse. A juke box in the barroom also was broken into and an undetermined amount of cash taken from it.

The lock on the south end of the building leading into the dining room was forced to gain entry. The pro shop was entered by breaking off the door knob. Nothing was missing from the pro shop.

Do you have a picture of your graduating class? The band, while you were in High School? Members of the class of a play? A high school club, or any other high school picture you think might be of interest to others?

Maybe He Worries About Politics

Bird-watchers, attention. Have you seen a white-headed black bird around recently?

Richard Ohlgren, Felter's subdivision, reports that he saw such a bird in a flock of blackbirds in his yard this week. It appeared to be an ordinary blackbird, except for the white head, and mixed sociably with the other birds.

Mr. Ohlgren says that an acquaintance reported rumors of an identical bird having been sighted at Blarney Island.

Adult Evening Classes Start At A.C.H.S.

Adult evening classes at Antioch Community High School will start Monday, September 28. Registration has been going on throughout the week at the high school office, and will continue through September 25. The office will also be open Thursday evening, September 24, from 7 p.m. to 8:30 p.m. Registrations will also be accepted by mail.

Average fee for courses is \$10, although some courses are slightly higher.

Monday night courses will include Gregg shorthand (Monday and Wednesday); Office Machines; Beginning Sewing; Intermediate Sewing; Use of Banking Services and the Planning of Spending for the Average Person; Adult Exercise Class and Home Furnishings.

On Tuesday evening there will be a class in Beginning and Intermediate Typing.

Wednesday night courses are Gregg Shorthand, Peoples of Asia: A Heritage of the Past, Adult Recreation program, Current Political Thought in this Election Year and Furniture Refinishing.

Information is available by phone at the high school office.

Don't Forget Tax Deadline-October 1

Antioch banks are accepting payment of taxes, both real and personal.

Deadline for payment of the taxes is October 1. After that date, there is a penalty.

Fatal Accident At Beach Grove Road

Edward A. Cregier, 63 years old, of 222 N. Berteau, Bartlett, Ill., was killed Sunday night when he reportedly went through a Stop sign at Beach Grove Road and Route 59 south of Antioch and was hit broadside by another car.

Driver of the second car, James K. Stubner, 25, of Rt. 1, Lake Villa, was not seriously injured. Witnesses confirmed his report that the Cregier car went through the stop sign on Beach Grove Road and drove into his path. Stubner was driving on Rte. 59.

Deputies found 144 feet of skid marks on Beach Grove Road from Cregier's auto. He was thrown from his car by the impact.

Cregier's body was taken to the Strang Funeral Home in Antioch, then to the Bartlett Funeral Home in Bartlett, for funeral services on Thursday, September 24.

Mr. Cregier had been employed as a maintenance foreman for a steel fabrication firm. He is survived by his wife, Eileen.

Cregier's death was one of five in traffic accidents in the county over the weekend. Others who died in crashes were Mrs. Eunice Neubacher, 26, of Elk Grove Village; Kenneth Kohout, 43, Libertyville; Irving Rogoff, 29, Barrington; and Mrs. Paula Mayer, 43, Chicago.

The total of traffic deaths for 1964 in Lake County is now 72.

Nu-Cue Opens In Antioch

The Nu-Cue Billiard Parlor, opening today (Thursday) at 803 Main St. in Antioch is a far cry from the dingy pool halls of the past.

"Bring the Family" is the slogan of the Nu-Cue. The floor is richly carpeted, the walls are paneled, even the tables contribute to the plush decor. No more plain green felt on every table—several colors of felt cover the tables and blend with the room decorations.

The Nu-Cue opens at noon today, and will be open from noon to midnight seven days a week from now on. Curfew laws will be enforced for the young set.

Don Moldor and Clayton Anderson are co-owners of the Nu-Cue. The Moldors also operate Jayne's Dress Shop in Antioch and the Grayslake Bowl. Mr. Anderson operates Ethel's Dress Shop in Grayslake.

Salem Central High Adds Six Teachers

Six new teachers have been added to the staff at Salem Central High School. They are Arthur Bennett, Math; Roger Bonnard, Special teacher; Keith Lunde, Glee Club and English; Rex Morrison, Industrial Arts; Geoffrey Watson, Physical Science, and Leon Furman, English.

Mrs. Lorraine Pospisil, former home economics teacher, is replacing Mrs. Mary Polley, who is on leave to get her Master's degree at Normal, Ill.

William Godshall is also on leave, working for a Master's degree at the University of Wisconsin at Madison.

The committee in charge of the Antioch High School Yearbook for this Golden Anniversary Year is collecting old photos, anecdotes, etc. for use in both the yearbook and in displays at the High School.

They already have a few photos which are gems, and some letters from former graduates which will prove of interest to many Antioch residents and former residents. But many, many more are wanted.

Do you have a picture of your graduating class? The band, while you were in High School? Members of the cast of a play? A high school club, or any other high school picture you think might be of interest to others?

Remember some of the hilarious incidents of those days, a human interest story, a prank? The committee would appreciate it if you'd write it down and mail it, and photos, to either William Brook, State Bank of Antioch,

Burglars Break Into Spring Valley C. C.

Spring Valley Country Club, north of Antioch at Highway 83 and C, was broken into and burglarized last Saturday night.

A total of \$190 in cash and three cases of whiskey were reportedly taken from the clubhouse. A juke box in the barroom also was broken into and an undetermined amount of cash taken from it.

EDITORIAL

A Good Job By Clark

Regardless of politics, Attorney General William Clark is to be complimented on the zeal with which he is investigating and prosecuting price-fixing deals of firms that deal with the state's schools and other agencies supported by tax money.

It's impossible for the local school boards to protect themselves from this kind of fraud. When several comparable bids are submitted by reputable companies on a certain article, the board can only conclude that this is the going price.

It's equally impossible for the most alert taxpayer to catch such overcharges. No one can be an authority on everything. Dealing with a reputable company has generally been considered the best guarantee of an honest price.

Now, it appears, this is no assurance. Firms considered honest have joined in price-fixing and rigging bids to split up business.

The cost of maintaining schools, and all government agencies, is high enough without this added drain. Competitive bidding has always been considered a safeguard against excessive profiteering.

The question that immediately arises is, Why was the collusive bidding initiated? Was it just greed for a few extra dollars? Do these companies "fix" artificial prices in all their sales dealings?

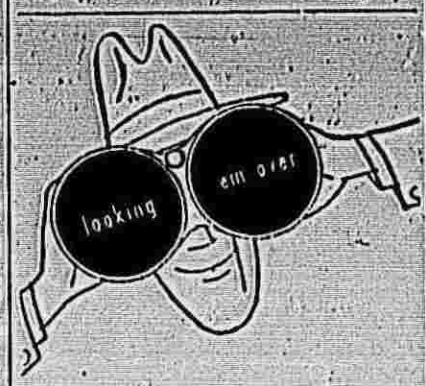

We'd like to see Attorney General Clark delve a little deeper into the reasons for this. Evidently the only penalty for this form of dishonesty is a fine, which the profiteering company can well afford. A stiff jail sentence would be a better deterrent.

School boards will certainly be eyeing all bids closely from now on, thanks to the alertness of the Attorney General. With money so badly needed by school districts, we hope the recent prosecutions are instrumental in returning honesty to the "bid" picture.

By Pearl Kapell

Have you ever wondered what, or who, sets the mood and the standards of a community?

In some towns, people seem to radiate friendliness. Other communities turn a blank, uninterested stare, on the stranger.

Size of the town or city seems to have nothing to do with it. Some small towns seem to distrust anyone who was not born in the community. Some greet each stranger with a warmth that thaws the most cynical lone wolves.

The general atmosphere of a town carries over into the business establishments in a town. Restaurants, particularly, will seem to follow a pattern, both in the quality of the food and price-wise. One town will serve generally good food at a moderate price. Another will become famous for bad food and high prices.

It's not entirely a matter of competition, because the unfriendly curtness is often found in places that are hungry for business.

Whatever, or whoever, sets the pace, it's a lucky town that has a happy atmosphere.

IT'S FANTASTIC
Two United States Presidents—Lincoln and Kennedy—were concerned with civil rights for negroes. Lincoln was elected in 1860—Kennedy was elected in 1960.

Both were shot on Friday. Both were killed in the presence of their wives.

John Wilkes Booth was born in 1839—Lee Harvey Oswald was born in 1939.

Both Booth and Oswald were Southerners. Both supported causes in disfavor with the general public.

Both were murdered before they could be tried. Both Presidents lost sons by death while in the White House.

Lincoln's secretary (whose name was Kennedy) urged him not to go to the theatre at which he was slain—Kennedy's secretary (whose name was Lincoln) urged him not to go to Dallas.

Both slain presidents were succeeded by men named Johnson.

Both Johnsons were Southerners and Democrats.

Both Johnsons served in the U. S. Senate before becoming President.

Andrew Johnson was born in 1808—L. B. Johnson was born in 1908.

Andrew Johnson was NOT re-elected as President. From The Sanborn Sentinel of Sept. 11, 1964. Sanborn, Minn.

FEDERAL AID FOR MENTAL HEALTH

A year or so ago President Kennedy proposed to the nation a federal system of mental health aids. . . . At that time, the Tribune cautioned against federal intervention in this sensitive field. Our opposition was based on the observation, that whatever the federal government does it either does it badly or extravagantly or both. . . . We think insane people deserve better at the hands of their saner fellows than to be chucked into a federal pigeon-hole and forgotten. There is evidence aplenty to support such a prediction if the care of our legally insane passes from local and state hands to the federal.

Letters to the Editor

Open Letter to Lou Durkin

In your Notebook, Mr. Durkin, you mentioned that the lengthy litigation on the Courthouse construction made it "difficult to recall just what the basic objections are," and your next paragraphs indicate you've forgotten completely.

You say you "can't shake the feeling that a victory for the opponents of the courthouse would be more than a defeat for the Building Commission—it would be a defeat for the people of Lake County," and you go on to explain that they would lose efficiency in the operation of county government—that maybe the tampering with the tally in the Republican Primary might have been prevented had we been housed in a new courthouse (as if new walls make honest men from those of dubious character).

We objectors maintain, Mr. Durkin, that the people of Lake County were defeated (robbed, is the word) when their decision in the referendum of 1958 was revoked by the creation of the Building Commission. The tally tampering in the Republican Primary was a minor election fraud in comparison with the reversal of a 2 to 1 decision of the people against courthouse construction—into a unanimous decision for.

This, Mr. Durkin, was and remains the basic argument—do we, the voters, have the right of referendum or do we just vote for the fun of it? Has our voice in County government become a mere tentative suggestion which the County Board can honor, or ignore, as it sees fit? So far

the Board and the Courts seem to be of a mind that the best way to "operate" government efficiently is to shut the people up.

Yours, in favor of house-cleaning the 3rd floor, Imogene Cashmore

L.B.J.'s Leadership

I would like to ask L.B.J. and his assistants some pertinent questions, relative to the welfare and well-being of our country which deeply concerns the American people.

Among other things I would like to know:

Why have our boys been fighting and dying in an unofficial, undeclared and phony war in Viet Nam, where the people we are supposed to be defending are more interested in fighting one another than of fighting Communists?

Why have we abandoned the freedom fighters of Cuba in their fervent desire to win back their country from the Communists, 90 miles from our shores, while we pour 1 1/2 million dollars a day in Viet Nam, 10,000 miles away?

Why did we appease the Reds by making special concessions to them in the celebrated wheat deal?

Why are we still helping to promote Communism by doling out our tax dollars to Communist countries through the so-called foreign aid program?

Why with so much poverty in America, including that on the Johnson farm in Alabama, what are LIBERALS thinking of when they want us taxpayers to underwrite 20 billion dollars for a trip to the moon, and

While the late President J. F. Kennedy uttered those memorable words in 1960, "Ask not what your country can do for you, but what you can do for your country", why has L.B.J. moved to the

Music Center To Benefit From Musical

The scene of romantic nostalgia is being set for when Jack Benny returns September 28 to his home town of Waukegan for a benefit concert with the Milwaukee Symphony orchestra.

The setting will be in the West Campus auditorium of Waukegan Township High School where Benny will give his first concert in Waukegan. This is where he grew up, where he was considered something of a child prodigy with the violin and where he first performed professionally as a violin player and later as a comedian.

Adding to the nostalgic atmosphere will be a 10-page pictorial history book of Jack Benny that will be passed out free to commemorate the historical concert.

In addition, the compositions Benny will play are of

brink of socialism when he said, "We are going to try to take all the money that we think is unnecessarily being spent and take it from the 'haves' and give it to the 'have nots' that need it so much." (White House speech 1-5-64).

Courthouse Notebook

BY LOU DURKIN

Would you like a short vacation from daily woes? Would you like to get off by yourself to meditate over the follies of Man and get paid for your contemplation?

Just contact County Clerk Garfield R. Leaf at the Lake County Courthouse and tell him you would like to serve as one of the tally judges on the special legislative ballot in the Nov. 3 general election.

Leaf has rented the Illinois National Guard Armory in Waukegan as the special voting site for the monster ballot and is busy lining up a kind-sized crew of tally clerks to count the votes on the orange ballot.

Estimates vary in the length of time it will take to count all the ballots, but 48 to 60 hours seems like a good guess. There is no truth to the rumor that Leaf is also reserving accommodations in nearby resthomes to house the clerks who break under the task of counting the votes in the State Representative hasle.

Have you noticed lately that some of the people who were most critical of the legislature during last year's session are now shifting the blame for the ballot blunder to Gov. Otto Kerner?

State Rept. W. J. Murphy, of Antioch, was subjected to a great deal of criticism because the re-map that was produced after extensive juggling and compromising left Lake County with just one district.

Even the Democrats allegedly bemoaned this seeming affront to Lake County and Gov. Kerner in righteous wrath vetoed the new map. Now quite a few people feel that imperfect though it might have been, the redistricting hammered out in the legislature was better than what we are confronted with under

the at-large election.

If anyone thinks that the political picture isn't changing in Lake County he should have been on hand at the 26th annual "Joe Welch Day" outing sponsored by the Cuba Township Republican Club last week.

There were many new faces on hand and there were many former regulars among the missing, but the new look in Lake County politics was probably best typified by three names.

Prominent on the course and at dinner was Circuit Judge Philip W. Yager, who is seeking election to a full term on the bench as a Democrat.

Judge Yager actually seemed more at ease than did Judge William M. Carroll, of Woodstock, who was wearing his GOP hat for the occasion. Judge Carroll's introduction made no mention of his candidacy for Appellate Judge as a Democrat, but the lukewarm response revealed a change in his status as far as Republican votes are concerned.

Among the missing was Republican County Chairman Robert Milton, who apparently feels uncomfortable in the company of Democrats during a campaign.

The political golf season winds up in Lake County on Wednesday, October 7, when Republicans converge on George Diamond's Course in Antioch Township for the 3rd annual Sheriff Charles Larson Day sponsored by the Antioch Township Republican Club.

Barring unforeseen emergencies which would keep him in Washington the main speaker for the evening will be Sen. Everett M. Dirksen. Tickets for this outing are already at a premium, so don't wait too long.

SPEAKING TO YOU

By John Burlend

Director of Social Studies,
Rockford East High School

It had been my intention to write one more column on some random conclusions that I made on my Mediterranean vacation. I may get around to it later, but it seemed to me more important to take a look at some more current areas.

Within the last two weeks, the Americans for Democratic Action became a campaign issue. My impressions of the A.D.A. were a bit vague; I knew some people who hated it fiercely, but I also had a good deal of respect for some of its members. So I decided to investigate before I passed judgment.

The A.D.A. was formed on Jan. 4, 1947 with one of its major tenets being opposition to Communism. The years 1947 and 1948 were the years in which the Communists made Henry Wallace their captive and attempted to use him as a front to capture the Democratic party. The A.D.A. was formed by liberals who were determined to drive the Communists from the party and defend it against extremists. The record shows that the Communists were routed, moved to form a new party with Wallace as their candidate, and were slaughtered. The Minneapolis Tribune, staunchly Republican, and with a reputation for honest journalism, made a survey of the A.D.A. a couple of weeks ago. Here are its conclusions:

"The A.D.A. has not wavered from its stand against any cooperation with the Communists or fellow travelers at home and against any thrust of imperialism abroad.

"On its 17-year record it would be outrageously unfair, even in the heat of a political campaign, to call the A.D.A. pro-Communist, Communist leaning, or soft on Communism."

A second way of weighing an organization is by looking at its members. It has included Eleanor Roosevelt; Gov. and Sen. Lehman of New York, three cabinet members in the Kennedy administration: Freeman, Ribicoff, and Goldberg; Arthur Schlesinger Jr. Pulitzer prize winning historian; Ted Sorenson, Thomas K. Finletter and a host of others. These are people who have held high governmental positions; their conduct in office is a matter of public record. The man who finds them dangerous extremists needs some new lenses in his glasses.

How do you distinguish between extremism and an unpopular policy? Let's take two examples. The A.D.A. is in favor of the recognition of Red China. It is a tenable position although I would not favor it as of now. The fact is that Charles De Gaulle and the British Conservative government have both extended recognition; that does not prove that they are pro-Communist. They simply believe that it is foolish to pretend that the largest nation in the world doesn't exist.

You don't have to buy the argument, but there is a case to be made for such recognition. Compare that to a speech that I would brand as extremism or worse. In its issue of Aug. 30, 1964, the Chicago Sun-Times reported a speech given by Prof. Revil P. Oliver, national director of the John Birch Society. He is quoted as saying, "I don't know whether Oswald was paid by the CIA or by the Russian secret police—and it's just a matter of book-keeping anyway."

And again: "Under orders of S. McNamara the army from Defense Secretary Robegan to rehearse for the funeral of Pres. Kennedy a week before the funeral."

Anyone who believes that American Central Intelligence and the Russian secret police operate together to assassinate an American president, and that cabinet members have prior knowledge of the murder have worse troubles than their bifocals.

Perhaps the best summary of the position of the A.D.A. was given by the Toledo Blade Republican in an editorial:

"The A.D.A. is not a semi-secret organization whose thinking is shaped by little blue books and would-be super-patriots. It is not going around charging that past and present presidents of the United States are traitors. It is not calling for the abolition of the income tax and the impeachment of the chief

justice of the U.S. Supreme Court.

There is room in this country for the A.D.A. with its liberalism, just as there is room for the National Association of Manufacturers with its conservatism. For the Republicans to equate the A.D.A. with the John Birch Society is an attempt to divert attention from their own extremists and is patently unfair.

Scout Leaders Learn Skills At Showando

Scouters from the entire North Shore Area Council, which includes Fox Lake and Round Lake, will meet Saturday, Sept. 26, for a full day of instruction in Boy Scout skills. Camp Dan Beard near Wheeling, Ill., is the site of this important training event which begins at 9:30 in the morning and ends at dusk with a friendship fire, the traditional climax of all Boy Scout Camporees.

Known as Showando (pronounced show and do) this is an unusual type of training for men who are newly associated with scouting on an adult basis as well as those old timers who enjoy a stimulating refresher course. Participating in patrols of 6 to 8, the trainees learn nine scout skills from experts who show them how it is done in the approved manner, and then actually do and practice these skills before going on to the next subject. In this way leaders will be able to teach Scouts in their own troops what they have learned.

Subjects selected are those boys find most useful in hiking and camping. How and where to pitch various types of tents so occupants will stay warm and dry through wind, rain and snow is important for successful camping. Packing knapsacks to be carried comfortably on hikes often means the difference between aching muscles and a happy boy. There are many types of fires even for cooking alone and these will be amply demonstrated and explained. Boys, and even adults, often wander in circles and lose their way on hikes unless they know how to use a compass efficiently. This important part of a Scout's equipment is also on the agenda as are knot tying, lashing, nature trail and trail signs, making a fire without matches or lighter, and how to accurately measure distances and objects without a ruler.

On the Showando staff are Lee Gagnebin of Fox Lake and George Galatti of Round Lake. With a broad experience in scouting methods they will pass on to other leaders,

NEAT—

All of us react pretty much to our environment. When we're standing in an alley, we don't worry about our cigarette ashes. When we're in someone's neat and attractive living room, we do. It's the same with parks, picnic places, swim beaches and highways. The cleaner they are and the more attractive, the more we're inclined to keep them that way. And so do other people.—Everett, Wash., Herald.

Motorists who travel the same route day after day may take too much for granted, warns the Chicago Motor Club. Usually the tourist on a strange road is inclined to watch for road signs and markings. Frequently, however, motorists who drive more by habit than by direction ignore basic traffic safety. Even in familiar surroundings, it always pays to be alert.

Don't ever worry about our government being overthrown. There's entirely too much of it.

Minister To Start Church In Antioch

The Rev. Wilton H. Anderson, a pastor of the Lutheran Church in America, has recently moved into Antioch to develop a new Lutheran congregation.

Pastor Anderson, a native of Merrill, Wisconsin, received his B.A. degree at Augustana College, Rock Island, Ill., and his B.D. degree at the

The Rev. Wilton H. Anderson

Lutheran School of Theology, in Rock Island. Since his ordination in 1962 he has served a two-church parish in Rainier and Brownsmead, Oregon.

The Lutheran Church of America was formed in 1902 with the merger of the following Lutheran bodies: The Augustana Lutheran Church, The United Lutheran Church, The American Ev. Lutheran Church, and the Finnish (Suomi) Lutheran Church. Combined membership totals 3.2 million members, largest of the Lutheran bodies in America. The proposed congregation in Antioch is one of over 100 new congregations organized each year by the Lutheran Church in America through its Board of American Missions.

Pastor Anderson, his wife who is formerly from Rockford, Ill., and their four children reside at 566 Highland Ave. in Antioch. Persons interested in affiliating with the new congregation are invited to call the pastor at his home, Antioch 395-1822.

Good Samaritan Operates on Edens

By Del Jahnke
Mrs. Elroy Anderson, her mother-in-law, Mrs. Alice Anderson, and Mrs. Elsie MacHaines of Antioch, had an experience in human kindness on Thursday, Sept. 17. The three ladies had attended an Eastern Star meeting in Chicago, where Mrs. Alice Anderson was presented with a 50 year membership pin. On their return trip home, their car stalled on Eden's Expressway at 1 a.m. Several cars stopped and the people offered their services, with one man suggesting a payment of \$20 to buy and install a water pump for the car. Then, a Kenosha policeman, off duty, stopped and stayed with them, while a young colored man from Waukegan not only stopped, but went to a garage, bought the water pump, with an extra can of water (in case of further trouble) installed it, and would not accept one cent of payment. When Mrs. Anderson tried her best to pay the man, he said, "If I can't do a good turn, I'm not much of a man." The Kenosha policeman took his license number, and through Sheriff Larson, Mrs. Anderson learned that her good Samaritan was a Mr. Vanada Donaby from Waukegan.

GETS DEGREE

Margaret E. Walsh (Mrs. Frank) of rural Antioch, an English major, completed the requirements for a Bachelor of Science degree from Lake Forest College during the summer session.

While completing her undergraduate studies, Mrs. Walsh engaged in practice teaching in the 6th grade at Grass Lake School. Beginning this fall, she will be a full time teacher at the same school.

Party Marks 25 Years of Marriage

Mr. and Mrs. Eugene Rockow, 1028 S. Main St., Antioch, were guests of honor at a party celebrating their 25th wedding anniversary last Saturday, September 19.

The Rockows' anniversary is on September 28. The party was given by their daughter and son-in-law, Mr. and Mrs. Edwin S. (Karlson) Johnson.

Mr. and Mrs. Rockow have lived in Antioch 23 years, and have a daughter and a son, Royal, now in the Armed Forces. They were married in Dubuque, Iowa.

About 45 guests helped the Rockows celebrate their anniversary. A feature of the party was an elaborate wedding cake, missing from the original wedding. Mrs. Rockow was presented with a black orchid.

Christian Science Lecture in Antioch

The power of scientific prayer to overcome fear and other everyday problems will be discussed in a free public lecture in Antioch next Thursday, October 1, 1964, by Otto G. Ziegenhagen, a Christian Science lecturer from Chicago.

First Church of Christ, Scientist, is sponsoring the lecture, to be delivered, in Antioch Community High School auditorium, 1133 S. Main St., at 8:00 P.M. The subject of the lecture will be "How Christian Science Destroys Fear."

Mr. Ziegenhagen, an authorized teacher and practitioner of Christian Science, is on nationwide tour as a member of The Christian Science Board of Lectureship.

A native of Chicago, he is a former actor. In addition to his stage and radio work, he taught platform art and literary interpretation. Mr. Ziegenhagen withdrew from these activities in 1942 to enter the full-time practice of Christian Science. He served from 1944 to 1946 as a Christian Science War-time Minister. He became a Christian Science teacher in 1955.

CONVENTION DOINGS

The Antioch Moose Lodge was well represented at the State Convention in Peoria this past weekend.

Attending for the L.O.O.M. were Governor Edwin Petersen, Secretary Robert Avery, Junior Governor Arthur LaPlante, Sports chairman Ed Linstrom, Convention co-ordinator Don Hart, Photographer recorder, Mickey Osborn and Trustee George Schroeder. For the W.O.T.M. there were Senior Regent Jan Maleski, Junior graduate regent Gladys Schroeder, Recorder Jerri Polson, Chaplain Rose Roth and Treasurer Rosemarie Hadley. Others present were Doris Mueller, Bev Noxon, Rosemary Petersen, Mr. and Mrs. Elaine Ring and Carl Sapiega.

Six sessions of discussions took place in all. Antonette Marinello, director of chapter activities for Mooseheart, Ill., conducted the meetings for the W.O.T.M.

There are 121 Moose Chapters with 27,564 co-workers in Illinois. The state of Illinois is still the top state throughout the union. A total of 688 registered at Peoria for the W.O.T.M. A 50th anniversary will be celebrated in the year of 1966.

L.O.O.M.
There will be a Winner Legion No. 74 ceremonial meeting at North Chicago Moose on Sunday, October 4, at 2 p.m. with initiation and dinner. Every third Sunday of each month is a legion get-together with pot luck.

The regular meeting for L.O.O.M. members was held Wednesday, Sept. 23.

HONORARY DINNER
The honorary dinner for the past governors and past senior regents will be held this Saturday, Sept. 26, at the Moose Home. Music will be by the Twilights and tickets for this affair can be purchased at the lodge.

REMINDER
Reminding all members that for the October 1st and October 15th meetings there will be a change in time. For Illinois it will be 8:30 p.m. and for Wisconsin it will be 7:30 p.m. For the month of November we all come back to standard time.

The regular meeting for the W.O.T.M. will be held this Thursday, Sept. 24, at the Moose Home at 8 p.m.

Retreat at St. Peter's Church

The St. Anthony Fraternity, 3rd Order of St. Francis, will have a one-day retreat on Sunday, October 4, at St. Peter's Church, Antioch.

The retreat will begin with a Community Mass at 10 a.m. You may return home for breakfast.

The retreat will resume at 1:15 p.m. and end with Eucharistic Benediction at 4:30.

The Rev. Father Leonard Stunek, O.S.M., of Milwaukee, will officiate. Everyone is invited to join in the retreat. All are welcome.

Marilyn and Elaine Hanlon had a slumber party at their house last Friday night. Attending were Mary Britz, Terry Dvorak, Janice Klein and Sharon Radtke. The girls played records, danced and ate pizza; watched the late show and the late, late show and just generally did everything but sleep. Sharon Hamsher was invited also, but had her appendix out, instead.

The Radtkes were guests of Mr. and Mrs. Scott Birdsell of Lindenhurst at a cook-out last Saturday. Lillian makes the best potato salad I ever tasted and we had a very nice time. We are thinking of sending our backyard ball team to replace the White Sox next year.

Don't forget the Women's Auxiliary Halloween party on October 1 at 8 p.m. at the Holy Family Church. Everyone is invited.

Next Sunday, Sept. 27, will be the day of Waukegan Memorial Airport annual "air show." It isn't exactly an air show, but more a show of experimental aircraft and just planes in general. Mr. Radtke is a member of a flying club. The kids love to look at planes and they usually have sky divers and such, and it's all free.

Illinois High in Pilots and Aircraft

Illinois now ranks fourth among the states in pilot and aircraft registration, according to information released in the latest bulletin published by the Illinois Department of Aeronautics.

The state has 14,000 registered pilots and 3,600 aircraft. It has 125 commercial airports and 500 private air strips.

Only California, Texas and New York, in that order, outrank Illinois in total number of pilots and planes; and Illinois continues to be known as the hub of the nation's air and surface transportation system, mainly due to the many and excellent facilities available in greater Chicago.

The Chicago Motor Club points out that driving in traffic and reading a map just don't mix. Motorists on trips should plan their routes in advance. A good driver always anticipates a change of directions. Last second stopping or turning may result in an accident.

Doctor's Wives To Plan Activities For Coming Year

Following the map printed on distinctive invitations, doctors' wives from all of Lake County will find their way to the home of Mrs. E. L. Chainski at Shoreacres in Lake Bluff next Tuesday morning, Sept. 29. The gathering is planned as an informal late breakfast for members of the Woman's Auxiliary to the Lake County Medical Society and prospective new members. Mrs. Chainski, Auxiliary president, will announce the theme for the year and outline the activities planned.

Among the projects already well along is the Allied Health Careers Day to be held at Lake Forest Hospital on Oct. 16. Mrs. John Zannini of Lake Forest, chairman of the project, is making arrangements for exhibition booths for the various health careers. Mrs. Herman Lustigman of Highland Park is co-chairman. Some of the advance work involves the contact of guidance counselors at all high schools in the county with information regarding the program planned for students on that day.

Honor guests at the membership brunch on Tuesday will be Mrs. John Curns of Waukegan, an Auxiliary member, who will share with the doctors' wives some of the exciting experiences of the year spent in Salvador, Brazil, with her husband and children.

Mrs. Earl Klaren of Libertyville, membership chairman for the Auxiliary, is requesting that members bring another doctor's wife to this get-acquainted party. Represented on her committee are

"If you're ready for the better things in life, you're ready for electric heat"

(and the rates are down 50% since 1958!)

That's Bob Appel talking. His RCA Associates, Inc., have built more than 600 homes in the North Aurora area.

Like an ever-growing number of his friends in the building trades, Bob Appel believes that electric heat is today's great home improvement.

And, if you are ready for the better things in life, no other heating system at any price comes close to giving you all the benefits of electric heat.

It's clean, safe, the most comfortable heat by a wide margin. Separate thermostats let you control the heat in every room. And because electric heat burns no fuel, there's nothing to create dirt, dust, and fumes. Walls, ceilings, curtains, and furniture stay clean longer. And there's little or no maintenance.

Besides—what else can you think of that costs 50% less today than it did in 1958?

MRS. EDWARD JAHNEKE (seated) as installed as Le Petit Chapeau of the Lake County 8 & 40th in ceremonies at Lorenz's Country House. Left to right, Mrs. Wm. Franzen, Libertyville, Le Secrétaire; Mrs. Mary Carney, Libertyville, Outgoing Chapeau; Mrs. Albert Dorn, Mundelein, 10th District Director; Mrs. Clifford Glaser, Libertyville, Le Demi Chapeau Promiere; Miss Alice Youngs, Lake Forest, 2nd Division President and Installing Officer.

Local Woman Installed As Top County Officer Of Eight and Forty

"A Queen for Doreen" is the membership theme for this year for the "Eight and Forty", honor subsidiary organization of the American Legion Auxiliary. The theme was carried out Sept. 7 in a colorful ceremony at which officers of the Lake County Salon No. 191 were installed.

Installation ceremonies, at Lorenz's Smart Country House, were preceded by dinner. Mrs. Edward Jahneke was installed as Le Petit Chapeau (President). The "Queen" theme was carried out throughout the evening. In a colorful ceremony arranged by Mrs. James McMillen, Mrs. Jahneke received a red satin cape and a "gold, gem-studded" crown from pages Mrs. Dan Maras and Johnny and Kathie Kakacek.

In line with the theme, Mrs. George Redmond, Gurnee, had fashioned red satin sachet pillows embroidered with a silver crown for each person in attendance. Red satin streamers and gold paper crowns decorated the tables.

Mrs. McMillen presented her "Queens of History" for the program. The costumes of the famous Queens, all made by Mrs. McMillen, were modeled by Mrs. Dan Maras, Mrs. Marshall Plechaty, and Mrs. John Kakacek, with Kathie and Johnny Kakacek a youthful counterpart of a King and Queen. Mrs. McMillen gave highlights of the Queen's lives and characters as the models displayed typical costumes. Barbie dolls, dressed as counterparts of the Queens, served as part of the table decorations.

The "Queen" theme derived from the Departmental Chapeau (state president), Mrs. Doreen Merrit, Salem, Ill. Mrs. Merrit was born in Calcutta, India, and had been a British subject until her marriage during World War II to an American G.I. She chose the theme "A Queen for Doreen". As each County Chapeaux reaches her membership quota and fulfills the child-welfare pledges, she is crowned as "queen".

In addition to the installation of Mrs. Edward Jahneke as Le Petit Chapeaux, Mrs. Clifford Glaser was installed as Le Demi Chapeau Promiere; Mrs. Lewis Johnson, Le Demi Chapeau Deuxieme; L'Archiste-Mrs. Fred Schultz, L'Aumonier - Mrs. Stanley Deguar; LaConcierger, Mrs. Henry Heinke; La Secrétaire, Mrs. William Franzen; La Caissiere, Mrs. Barbara Klemm; Pouvoir Member, Mrs. Mary Carney; L'Advocate, Mrs. Robert Kapheim, and La Surintendante, Mrs. George Mitchell.

Mrs. Edwin Denman will be in charge of the Devotions and Mrs. Milton Bauman will have the program. The business meeting of

and family of Waukegan were guests Sunday at the "St. Slaves home."

Norman and Everett Nelson of North Chicago were visitors Saturday at the home of Mr. and Mrs. Fred Bartlett, Sr.

Convalescent

Fred Popp, Sr. is a patient at Condell Memorial Hospital in Libertyville.

Ten Gerber is a patient at Condell Hospital. She is feeling a little better. Cards would be appreciated.

Frank Slazes, Jr., underwent surgery at Victory Memorial Hospital Monday. We hope for a speedy recovery.

Elaine Teltz broke her ankle a couple of weeks ago while playing baseball. She is recovering nicely.

Lite a Bike Day

Lite a Bike Day sponsored by the Lake Villa VFW was a success. Parents cooperated with the program, and had their children down at the four places: the Lindenhurst Civic Center, Venetian Village Civic Center, D-X Station and the Post. The bikes were checked for safety and taped. It is a worthwhile program.

the Aid will be held in the church parlors at 1:30 p.m. Bazaar plans will be discussed.

The Devotional Study Group will meet Thursday, Sept. 24 at the home of Mrs. LaMont Ray at 9 a.m.

The Fall Thrift Sale will be held at the Millburn Church Saturday, Oct. 3. Items for the sale may be brought to the church after Sunday, Sept. 27 and should be in by Friday morning, Oct. 2. A bake sale will be held in connection with the Thrift Sale and should be brought in Saturday morning, Oct. 3.

How to Tell a Communist
The lieutenant, back home after a tour of duty as a military adviser in Vietnam, was explaining what a big problem there was distinguishing between the peasant farmers and Viet Cong guerrillas. "Isn't there some sure way you can tell a communist?" inquired one of his listeners. "There's one sure way," said the lieutenant. "If he shoots you, he's a communist."

Today is '65 Pontiac Day.

1965: The year of the Quick Wide-Tracks

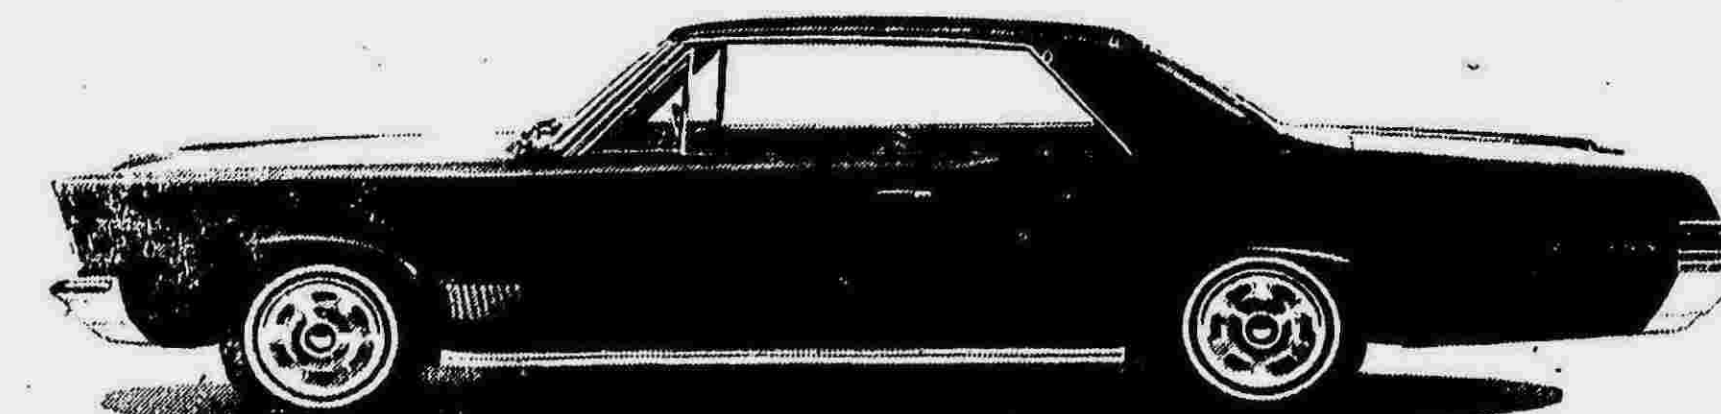

What do we mean by "quick"? Just this: A new-all-over Pontiac Pontiac offering a new Turbo Hydra-Matic—the silkiest, swiftest-shifting automatic transmission you ever touched a toe to; eager new Trophy V-8 power; new steering agility; a surer-footed Wide-Track ride. And a new Pontiac Tempest that's become even more of a Pontiac with new style, new length and Pontiac-quick reflexes to match. You never knew cars could be so beautiful, and so keenly alert to your touch. This is your year to drive a Wide-Track—quick!

'65 Pontiac Pontiac

How does the success car outdo itself for 1965? Beautifully, just beautifully. But this Pontiac has no intention of getting by on looks alone, though it could. So there's new quickness, Pontiac style. A new nimbleness. New fuel savings. A smooth, easy now ride. Drive a '65 Pontiac and see how one success leads to another.

'65 Pontiac Tempest

Tempest's even more of a Pontiac now, and what more could a car be than that! The '65 Tempest looks like a Pontiac, as you can see. Rides like a Pontiac on Wide-Track. Goes like a Pontiac, too: a 140-hp six is standard. Or you can get a quick V-8, up to 285 hp. You'll wonder how we can keep the price so low on so much car.

"Ella" Award At GOP Club Golf Outing

A new award will be inaugurated by the Antioch Township Republican Club at its 3rd annual Sheriff Charles

E. Larson Day, Wednesday, October 7, at the George Diamond Country Club. Herbert Horton, club proxy, made the announcement today at the club's campaign headquarters in Antioch, as he sparked the drive to elect the entire Republican slate.

It will be known as the ELLA (for ELLAphant) award and will be presented to the two distinguished Lake County Republican leaders who have made an outstanding record in advancing Republicanism and its principles during the preceding year.

Recipients of this award will be honored at the October 7th party. Names of the two leaders who have been selected for this award will be released later, Horton said.

There are some tickets for the affair still available, but club officials expect a complete sellout. William E. Brook, State Bank of Antioch president and realtor Loren E. Sexauer report they still have some ducats on hand.

Antiques on View at Waukegan Armory

The National Guard Armory at 1800 Glen Flora Avenue, Waukegan, will be the site of a big Antiques Show and Sale October 1-3. This is the fifth year of the show and sale, sponsored by the Woman's Society of Christian Service of the First Methodist Church, and is expected to draw patrons from a number of surrounding counties and states. Harold H. Grunwald of Elkhorn, Wis., will again manage the show. There will be approximately 30 exhibitors. They will

Refreshments, including coffee, sandwiches, and homemade pies and cakes, will be available every day during the hours of the show. Sandwich

and salad plates will be available at noon and hot plates will be served evenings. Meatless meals will be available on Friday.

The hours of the event are from 11 a.m. to 10 p.m. on Thursday and Friday, and from 11 a.m. to 6 p.m. on Saturday. Tickets will be available at the door.

CAN YOU STOP IN TIME?

Here's a tip for drivers: multiply your speedometer speed by one and a half and you will find out approximately how many feet you are traveling at second. For instance, at 40 mph you are approximating 60 feet per second. It would take you about nine car lengths to stop at that speed. That is, if the

roads were dry and you had average reaction time. But if the road is slippery and your brakes are not up to par and if you're not in good physical condition the stopping distance could be twice as long. Ask yourself the question—can you stop in time?

DODGE CORONET—For 1965 Dodge is introducing an entirely new line of cars called the Coronet. The well-styled Coronet 500 convertible, shown here, is one of 17 models offered in the new line. The Coronet cars have a 117-inch wheelbase and an over-all length of 204 inches. They will go on display at Dodge dealerships on September 28.

Aims Of 4-H Change In Fifty Years Of Growth

4-H Clubs started in Illinois as pig and corn clubs for boys and canning and sewing clubs for girls. Today, nearly 50 years later 4-H work covers many phases of life emphasizing the personal development of young people.

According to R. O. Lyon, state 4-H leader at the University of Illinois, boys' and girls' projects were originally designed to improve agricultural and homemaking practices in the state. Naturally, during the early years, the 4-H program strongly stressed the traditional projects acceptable to rural boys and girls.

As the Illinois 4-H program has shifted in the direction of emphasizing personal development, Lyon says city people have asked for this program for their children. Although rural boys and girls are still a target group, nearly half of the present 76,000 4-H members in Illinois have suburban and urban addresses. More than 1,800

boys and girls in the heart of Chicago now belong to 4-H Clubs.

Fast-growing 4-H programs in urban areas include automotive care and safety, creative crafts, electricity, photography, flower gardening, landscaping or home grounds improvement, entomology, clothing, room improvement and foods and nutrition.

Club leaders are strengthening these programs by placing added emphasis on leadership development, public speaking, community improvement, and social and physical development.

Club work is also designed to help young people understand how agriculture and home economics contribute to the economy and human welfare and to explore career opportunities and continue needed education and constructive use of leisure time. This year during National 4-H Club Week, 4-H work

NROTC Offers Free College Education

Applications are now available for the Navy's nineteenth annual NROTC qualification test, according to Mr. Kurek, Guidance Counselor at the Antioch Community High School. The nationwide examination will be given Dec. 12, 1964, and all eligible male high school seniors and graduates may apply.

On the basis of this test, personal interviews, physical examinations, and other factors, Mr. Kurek explained, over 2000 young men will be given college educations as midshipmen in NROTC units in 52 well-known colleges and

celebrates its 50th anniversary. In 1914, when the Smith-Lever Act authorized the Cooperative Extension Service in Agriculture and Home Economics, the same federal legislation provided funds for 4-H Club work.

THE ANTIOCH NEWS

universities throughout the country.

Registrations for the test will close Nov. 20. Information bulletins and applications are available from Mr. Kurek or the nearest U. S. Navy Recruiting Station.

A successful applicant receives financial aid for four years of college. This includes tuition, books, uniforms, miscellaneous expenses, and a \$50 per month retainer fee. After successfully completing college degree requirements and naval science training, NROTC midshipmen become commissioned officers in the U.S. Navy or Marine Corps.

During their training, regular NROTC midshipmen enjoy three summer cruises with various naval units, including visits to foreign ports. These cruises help them learn more about the variety of interesting and challenging opportunities available to them as naval officers.

Male citizens of the United States who will be over 17 but not yet 21 on June 30, 1965, and who are now high school seniors or graduates, are eligible to apply for the December 12, 1964 NROTC qualifying test. Those who attain qualifying scores will be interviewed and given physical examinations next February.

LOCAL HANDLING OF PROBLEMS

The thing we most note (other than the obvious, we mean) about the topless bathing suits, over the world and the nation, is... each community handles the topless trend in its own way. The take a lesson here... It will doubtless be a shocking blow to the ego of those Washington ologers, that people can still make decisions for themselves; and that they don't always decide social matters or the solution to problems, in the same manner.

Down with high cost heat!

Change to Gas before cold weather Gas heat now costs even less!

Homeowners! Here's big news about big savings on heating costs. The new rate reduction (effective September 1) means additional savings of \$2,960,000 a year to Northern Illinois Gas space heat customers. This is the third major reduction in the last 14 months!

Check this quick PROOF-OF-SAVINGS chart.

| | Typical Annual Heating Costs* | Savings with Gas |
|-----------------------|-------------------------------|------------------|
| Gas | \$141 | \$ |
| Oil | 224 | 83 |
| Coal (hand-fired) | 227 | 86 |
| Electric (resistance) | 471 | 330 |

*Fuel costs for heating a typical insulated home with basement as based on competitive fuel prices prevailing September 1, 1964, in Northern Illinois Gas Company territory adjacent to Chicago.

Dependable gas heat beats other types hands down for comfort and convenience, as well as low cost. Keeps you comfy, no matter how cold the weather, with set-it-forget-it thermostat control. Small wonder 99% of all new homes along Northern Illinois Gas mains are equipped with gas heat.

Make the change now—pay later. Our Easy Pay Plan available through your contractor gives you up to five years to pay. No down payment, and payments as low as \$3 per month. Your savings with thrifty gas continue year after year, soon repay the moderate cost of conversion.

Act now! 10,000 Plaid Stamp bonus. Convert to gas heat by October 31, 1964, and get 10,000 Plaid Stamps redeemable for valuable premiums. Your heating contractor can give you details. Call today!

Win Over Salem Opens Antioch Grid Season

The Antioch Sequoia successfully opened their football season Saturday with a 13 to 2 win over Salem's Falcons. Tom Morgan scored both touchdowns for the Sequoia and Stan Revell added one extra point.

In the closing seconds of the first quarter Mike Davis broke through the Falcon defense and blocked a punt. Wally Pelviak fell on it on the Salem 18-yard line setting up Antioch's first score.

On the first play of the second quarter Tom Morgan skirted right end 14 yards for the TD.

Late in the second quarter the Sequoia got the ball on their own 20 yard line after a field goal attempt by Salem. On the first play from scrimmage Morgan again broke loose, this time for 80 yards and a TD, only to have it called back for illegal use of hands.

Antioch's second score was again set up by a blocked punt by Davis. Jim Efflinger

recovered this one and Morgan scored from the Salem 8-yard line two plays later. The PAT was no good and that ended the Sequoia scoring.

Salem threatened in the third period when they marched 61 yards to the Sequoia four yard line. The Antioch defense stiffened at this point and they took over on downs.

Henning brought it out to the six yard line on a sneak and then on the next play was driven out of bounds in the end zone for a safety and the Falcons' only score.

Tom Morgan was the Sequoia's leading ground gainer, racking up 61 yards in 10 carries. Vince Casella picked up 30 yards in 7 carries.

Coach Roy Nelson was pleased with the performance of his two ends on defense, Mike Davis and Mike Storb. "They didn't let the play get around them, all afternoon," he said.

News of Lakesports

The Sequoia will meet Grayslake at home Saturday in their first conference outing. Grayslake was stung with a 28 to 0 defeat last Saturday at McHenry.

"They operate from a slot T," coach Nelson said, "and have three boys in the backfield that can play quarterback so we will expect them to pass any time."

Hunters Must Leave Feathers on Wings

Federal regulations now require that hunters who field dress migratory game birds must leave one fully feathered wing on the bird until the hunter arrives home, the Illinois Department of Conservation has announced.

Mourning doves are included under this regulation. A wing must also be left on ducks, geese, woodcocks and jacksnipe. The purpose of the law is to permit identification of migratory game birds in transit. Formerly the heads and feet of ducks and geese had to be left on the birds until the hunter got home.

Stewart Speaks At Little League Banquet

Jim Stewart, shortstop and second baseman for the Chicago Cubs, proved his big league caliber as a speaker as well as a ball player at the banquet of the Antioch Little League last Tuesday night, Sept. 15.

The Alabama switch hitter entertained about 300 guests, including 90 Little League ball players, at a banquet at the Angels Restaurant. A question and answer session followed his speech, and he signed autographs for all the

boys. Ellis Dolson, president of the Little League, introduced Stewart, and the sponsors of the six ball teams.

Larry Ryan, representing sponsors Lyons & Ryan, accepted the first place trophy for the Cubs. Each boy received an individual trophy.

Vice president Gordon Volting introduced Little League umpire Harlan Ware, who presented a sportsmanship award to Ervin Nevitt, shortstop for the Dodger team.

Trophies were given to the managers of each team, and graduate awards to all the 12-year-old boys.

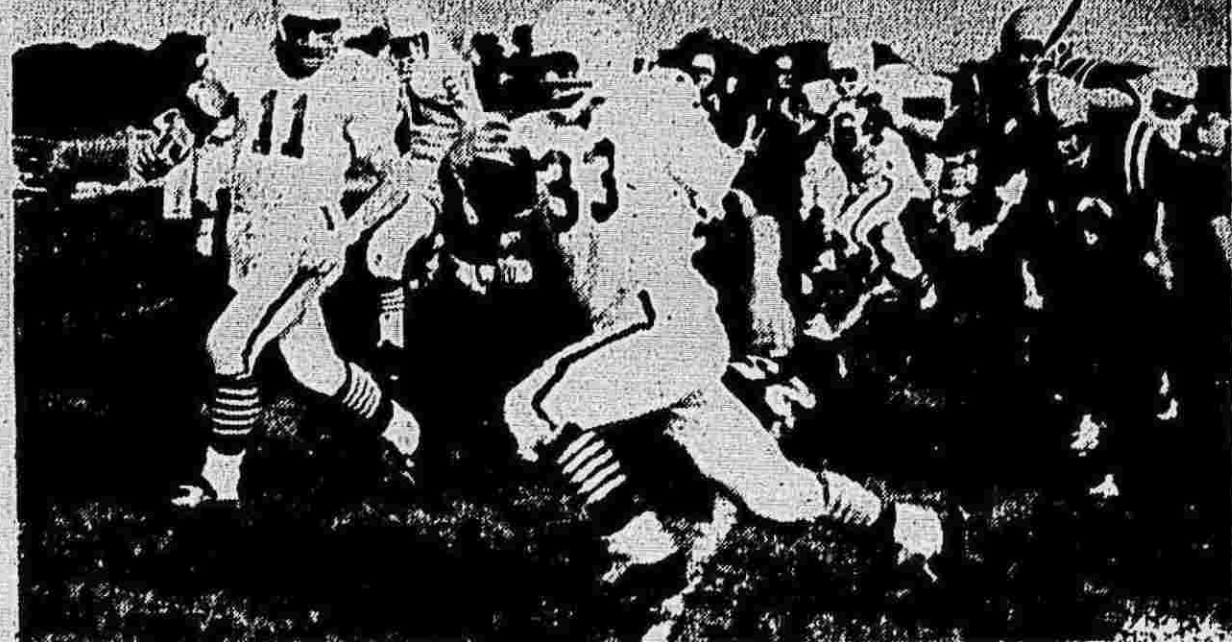

Gordon DeBoer, League secretary-treasurer, introduced Gene Pogose, manager of the second-place team, the

Tigers. A trophy was presented to Mr. and Mrs. William Brook, representing the State Bank, sponsors of the Tigers. Each player on the team received individual trophies.

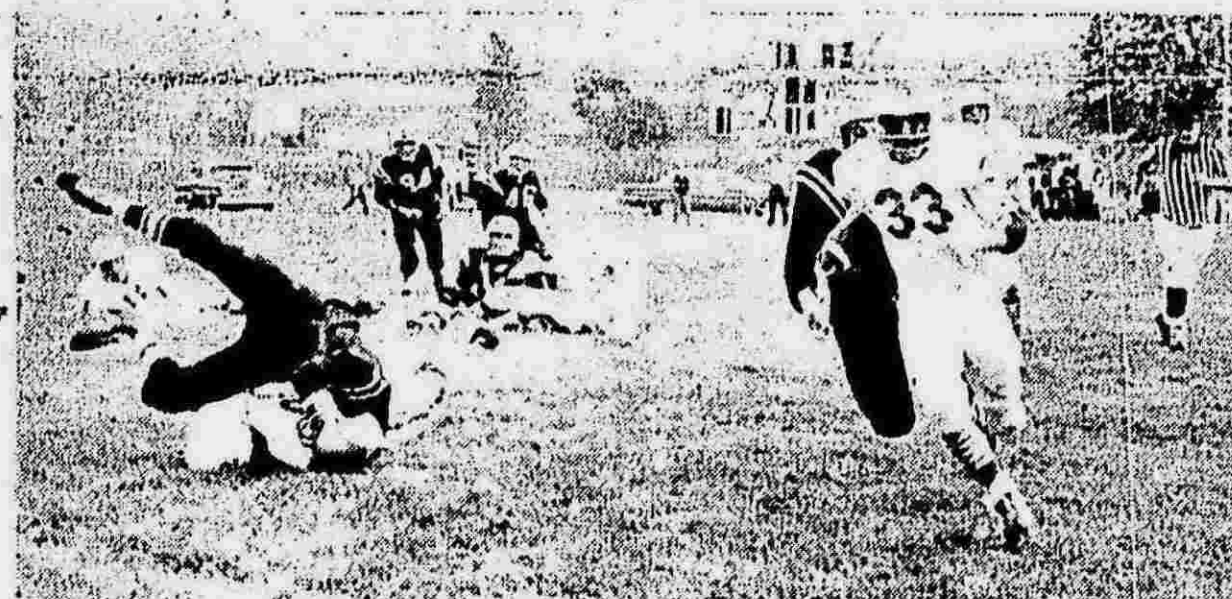

Small gifts were presented

to the ladies who had been active during the season and to the coaches. President Dolson and vice president Volting received appreciation trophies.

The public is invited to election of officers of the league in the near future.

TOM MORGAN (33) breaks around end and goes down the sideline for 80 yards in the game Saturday against Salem. Wally Henning (11) is shown leading the interference. The play, longest of the day, was called back for an infraction.

PAUL LINDBLAD, foreground on the ground, throws a key block on a Salem defender and breaks Tom Morgan loose for a big gain Saturday. Antioch won the opener 13 to 2.

Lake Forest Victory String Finally Broken

The longest victory string in Illinois prep football was broken Saturday when an aroused Mundelein team dethroned the Lake Forest Scouts from their royal perch.

The game, marred by 10 fumbles, three pass interceptions and numerous penalties by the two teams, ended 27 to 13.

Carl Boothe scored twice for Mundelein on runs of eight and 65 yards. Tim Splitt plunged over in the second quarter for another Mundelein tally and Nick Tangorra skirted left end for 13 yards and the Mustangs' other TD.

Scoring for Lake Forest were Frank Barth on an eight yard run and Ron Cadarian with a 60 yard jaunt.

GRANT OVER LIBERTYVILLE

Grant High, rated the team to beat in the Northwest Suburban Conference race this year, lived up to their expectations as they easily rolled over the Wildcats of Libertyville 26 to 0. Neither team managed to score until the closing minutes of the second quarter, when Dave Spencer completed a 35 yard pass play to Tony Cullota.

The Bulldogs scored again in the third period and twice in the final quarter while holding the Wildcats to their 24 yard line (Libertyville's deepest penetration).

ELA SNAPS LOSING STREAK

Elia-Vernon came up with a victory Saturday, their

first in 18 games, as they trounced a Lake Geneva eleven 24 to 7. Elia failed on all PAT attempts but scored 4 TD's while holding their opponents to 7 points.

WAUCONDA OVER CARY GROVE

Wauconda did all their 'scoring' in the third and fourth quarters to overtake a spirited Cary Grove eleven and come out with a 25 to 14 win.

The big play of the game was Wauconda guard Herb Hubbard's 60 yard touchdown run of a recovered fumble late in the final stanza.

Elsewhere in the conference, Grayslake dropped their opener to McHenry 25 to 0 and Round Lake lost to Elgin Larkin 51 to 14.

Dragster Match At Union Grove

Three weeks ago on Labor Day, Chris Karamesines of Chicago drove his mighty nitro fuel dragster "Chizler" to a winning speed of 199.63 mph and first place in the "Midwest Championship" drag races.

On the same day, Dave Babler powered his dragster, the "California Slingshot" to the "Western Championships" at Panama, California with a speed of 202.11 mph.

This coming Sunday, September 27, these two drivers

will meet in a best two out of three match race. With both dragsters having won their respective sectional championships and both in the 200 mph class, it should be one of the closest races ever held at the Union Grove track.

Last Sunday Babler raced at the Great Lakes Dragway in preparation for this match race and proceeded to set a new track record of 7.86 seconds at a speed of 201.09 mph; the old record of 7.88 seconds

was set last month by another California driver, Jerry Baites of San Diego. His lowest elapsed time of 7.75 seconds for the 1/4-mile is the third lowest ever recorded. Karamesines has covered the 1/4-mile in 7.71 seconds, second only to Don Garlits of Tampa, Florida who has recorded a 7.69.

Both dragsters are powered by supercharged, full race Chrysler engines and use nitro and alcohol as fuel. In addition to the match race, both cars will race in open competition. Time trials 9 a.m., races to start at 2 p.m.

The dragstrip is located on Highway 45 at Union Grove, Wisconsin.

Anglers Compete Sunday For State Crown & Trophy

The 1964 Illinois state individual fishing champion will be determined at Channel Lake and Lake Catherine in the Chain O' Lakes, near Antioch, Sunday when at least 30 anglers compete for the crown.

Four of the contenders, including Lewis Simon of Antioch, have been seeded into the final seven-hour fishoff because of having won the championship previously.

Simon is defending champion, having set a precedent in 1963 when, in addition to capturing the singles, he also won the Mr.-Mrs. crown with his wife, Sharon. They failed to retain their crown last month when Mr. and Mrs. Don Nichols of LaGrange Park took the crown with 120 points. The Nichols caught four black bass and two northern pike spoonplugging for their winning total. The Simons finished seventh.

Nichols, having won the singles in 1962, also is seeded into the fishoff on Sunday. This will give him a chance to duplicate Simon's record, should he win the individual.

The other two previous winners seeded are Bill Hoffman of Evanston, 1960 winner, and Harold Smiley of Round Lake Park, the 1961 victor.

The other 35 contestants in the finals had to qualify over a 13-day period, which started on Sept. 14 and will end on Saturday.

Persons who possess 1964 Illinois valid fishing licenses may still enter the qualifying. Only requirement is that each person must register at Channel Lake Boat House, situated at the south end of the lake at the foot of the Illinois highway 173 bridge, before going out on the contest waters. There are no entry fees.

Sunday's fishoff will begin at 11 a.m. and run to 2 p.m., after which the field will take time out for an hour's

lunch break. They'll resume fishing at 3 p.m. and will quit at 7 p.m. Each finalist will fish from a boat with an official watcher.

In addition to winning the state championship, plus a trophy, Sunday's victor also will qualify to represent the state in the 1964 World Series of Fresh Water fishing on Bull Shoals lake, Ark., Oct. 20-23. This is an all-expense paid trip to Bull Shoals, being defrayed by Barney Shummeson, operator of the Channel Lake Boat House, and the sponsors of the World Series, including the resorters on Bull Shoals lake.

Among those having qualified for the fishoff is another angler, Ray Zeman. He qualified by catching three black bass which earned for him 66 points.

Other finalists from the northeastern part of the state include George Kraymer of Meleny, who landed five black bass one day for 78 points, and Richard Mason, 511 S. Lewis, Waukegan, who hooked one bass for 20 1/2 points.

Men's Club Sponsors

Golf Tournament

By Mrs. Bernice Bernau
The Lindenhurst Men's Club is sponsoring a Golf tournament, Sunday, October 4, at the Indian Valley Golf Course. Tee off time will be from 9 a.m. to 12 noon.

To make reservations for singles, doubles or foursomes, call Ray Caldwell at Elliot 6-1591 or Claude Anderson at Elliot 6-6791.

Job Market

"I want a man to do odd jobs about the house, run errands, never answer back, and always be ready to do my bidding," the lady specified. The applicant backed down the steps, "Lady," he said, "you're looking for a husband, not a servant."

Hagi Has Big Nite At Track

Wet weather did not hold back Saturday night race fans at the Waukegan Speedway for the introduction of convertible racing.

Fast time for the evening was turned in by Roger Hagi of Antioch. Roger also came right back to win the trophy dash and 3rd heat for late model sportsmen. First heat went to Larry Brown of Fox Lake, and second to Odell Jones of Waukegan.

Sportsmen feature saw numerous accidents and Dick Aissen avoided them all to take the checkered flag.

Convertibles ran hot and heavy as Bill Shoulters (ex modified driver), Libertyville, swept the trophy dash and heat race. Every fan at the track agreed that convertibles should return to the Waukegan oval.

Ladies' Powder Puff Derby held 22 female contestants who made a complete mess out of most cars on the track. Maude Cossman found out her husband had Mrs. Jack Ester driving his car. So she promptly flipped her over in the last turn of the race. Mrs. Ester was uninjured and the 1964 Powder Puff Derby was won by Lorrie Fritchie. Out of the 22 starters only 9 cars finished and several wives were seen running south after wrecking their husband's cars.

FORD WINS SUNDAY FEATURE

Although the rain fell all around Waukegan Speedway, not a drop appeared at the track and the races proceeded high and dry.

Grieg Krieger, a Milwaukee car, drove a perfect race in the 50-lap modified feature to win, going away. Earlier in the third heat for modifieds Krieger set a 10-lap track record, taking the flag at 2:44.53. First heat went to Bill Ansill, second heat to John Garner and fourth heat to John Reimer.

Ken Talagan took fast time for the sixth week in a row with a blistering 16.50.

In the semi-feature race the green flag fell and semi cars pounded into the first

Dodge comes on big for '65

What does Dodge do after two record-breaking years in a row? Go for a third. Dodge comes on big for '65, with four brand-new cars that are big, quick, fresh and backed by the strongest warranty* in the business. See them.

'65 Dodge

DODGE DIVISION CHRYSLER MOTORS CORPORATION

'65 DART: The Dodge-size compact.* If you'd like to live a little, we'd like to let you in on something big—Dodge Dart for '65. Big beauty. Big comfort. Big ride. And big savings. At your Dodge dealer's now.

'65 POLARA: Beautiful way to leave the low-price field. Inches bigger and a lot better-looking than anything near the price. With a standard 383 cu. in. V8 that thrives on regular gas. Why settle for less? Ask for Polara.

'65 CORONET: A hot new Dodge at a new lower price. An all-new car that's as roomy as a standard-size Ford or Chevy, yet priced right with Fairlane, Chevelle. With refreshing new styling. Oceans of room. Coronet '65—drive it.

'65 CUSTOM 880: If elegance were spelled in numbers, this would be it. From exclusive 6-window sedan to elegant convertible, this one will wear well with your appreciation of luxury and your sense of good taste.

*HERE'S HOW DODGE'S 5-YEAR, 50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU: Chrysler Corporation confidently warrants all of the following vital parts of its 1965 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutches), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings. REQUIRED MAINTENANCE: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

Cana Conference

The husband-wife Canna Conference at Prince of Peace Church Hall, Rte. 21-83, one block south of Rte. 132, will be held on Sunday, September 27, from 1:00 to 5:30 p.m. All married couples who are readers of this newspaper are invited to attend. Reservations may be made by calling Mr. and Mrs. Mike Gibbs at Elliot 6-5411, or Mr. and Mrs. Charles Hauber at El 6-7366.

October Fest

Reservations for the Bratwurst Dinner and Annual Fall Dance, sponsored by the Holy Name Society, may be made after Mass Sunday, or by calling Al Smith, Ed 6-8301; Clarence Reed, El 6-5434; Bob Buksas, El 6-7371 or Elmer Krienwaldt, El 6-8353. The October Fest will be by reservation only, and will be held at the Lindenhurst Civic Center on October 3.

The purpose of the October Fest started in Germany many years ago. The people all bring thankful of their good fortunes, would get together to eat, drink, sing and dance, and to visit with their neighbors.

St. Mark Lutheran Church
The annual fall meeting of the American Lutheran Church Women will be held Thursday, September 24, at 8 p.m. at St. Mark Lutheran Church on Grand Avenue in Lindenhurst.

The Luther League Supper meeting will be held Sunday, September 27, at 5 p.m.

New members will be welcomed into the church family next Sunday after the 10:30 worship services. Everyone is invited to stay after services and get acquainted with the four new families joining the church. Coffee will be served.

The Rev. Bee, Area Director of Christian Education, will be the guest teacher at a three session school for Sunday School teachers training school. They will meet at the Grace Lutheran Church

in Libertyville on October 5; at Lord of Life Lutheran in Waukegan on October 12; and at St. Mark Lutheran in Lindenhurst on October 19. The host Sunday School teachers will provide cookies and coffee at each of these meetings. All Sunday School teachers and those interested in teaching are expected to attend.

Breakfast Postponed
The Pancake Breakfast, sponsored by the Lindenhurst Citizens' party has been postponed until a later date. It was supposed to have been at the Floyd Stanley home Sept. 27, but due to the death of Mr. Stanley's mother recently, the breakfast will be held later.

Luau
Our neighbors will be going native next Saturday night when they attend the Hawaiian Luau, sponsored by the Lindenhurst Women's Club. The committee has been working a long time to make this affair a success. Admittance by reservation only.

Policemen's Dance
Circle November 7 on your calendar. The Lindenhurst Policemen's Dance will be held at the Civic Center that night. Eddie Wells (Briars), with Al Schultz Orchestra, will be providing the music to dance by.

Garden Club News
Ray Nicholas, Farm Bureau Advisor, was the guest speaker at last week's meeting of the Lindenhurst Garden Club. The members and guests received valuable information regarding planting and transplanting of trees, and other advice. Mrs. Denver Shore was hostess at her home.

Christened
David Martin, infant son of Mr. and Mrs. John Quinn was baptized at Prince of Peace church September 6. Godparents were his uncle and aunt, Mr. and Mrs. Roland Wermeling of Waukegan. The Wermelings and their six children were dinner guests of the Quinns and their three other children, John, Julie and Barbara Joan.

Anniversary Celebration
Tom and Ginny Byron of Chicago, uncle and aunt of Jim & Hazel Shanahan, treated

ed the Shanahans to dinner last Saturday evening at a nice restaurant in Chicago, on the occasion of the Shanahans' 14th wedding anniversary.

Married

Thurmen (Mickey) St. John, son of Mrs. Ace Minne, was married Saturday afternoon to Miss Karen Larson of Antioch at St. Peter's Church in Antioch at 3 o'clock services.

About 350 guests attended the reception at the Lithuanian Hall in Waukegan. Mrs. Minne's father, T. P. Jones, and her nephew, William Franklin Glover, flew in Friday night from Huntsville, Alabama. Other guests of the family from out of town were Mr. and Mrs. Benny Maynor from Detroit, and Ace's parents, Mr. and Mrs. Leon Vanpuely of Detroit, Mich. Also Mr. and Mrs. Pete Smessaert of Evanston. Several people from this area

attended. Our congratulations to the young couple.

Pinochle Club

Dorothy Verdick was hostess to her pinochle club last Wednesday evening. This was their first get-together for this season.

Birthday Celebration

Ed. Bill and your correspondent had dinner at the Bob Bernau home in Hoffman Highlands Sunday. The occasion was our niece's birthday. Four other families were there, filling four large tables. Lots of relatives.

Turkey Shoot

The Lindenhurst Rifle and Pistol club is having its first annual Turkey Shoot Sunday, September 27, at the Go-Kart track, about one mile north of Grand Avenue on Rte. 21-83 in Lake Villa. Shooting will be from 10 a.m. until dark.

The club meets the third Wednesday of every month at John Slove's home in Lindenhurst at 8 p.m. Guests are always welcome. On the first and third Monday of every month, they shoot pistol at the Waukegan Lakers, meeting there between 7:30 and 8 p.m.

Tony Riano of Lake Villa is president; Warren Frontzak, vice president; Russ Bethley, secretary; and Ron Roth, treasurer. They are all Lindenhurst residents.

To help your car run smoothly during the hot summer weather, says the Chicago Motor Club, be sure that both the fan belt and water cooling system are working at peak efficiency. Rust inhibitors added to the radiator during the summer will retard rust formation and cool the motor effectively.

The one on top is a world famous legend. The one below it is the same legend redesigned into an all new station wagon.

It has the deluxe interior appointments and comfortable ride of a fine passenger car... carries six big adults plus more luggage and equipment than you can imagine. It's powered by America's only automotive overhead cam engine, the high torque Tornado OHV... offers optional extras such as automatic transmission, independent front suspension, power steering and power brakes. But the all new Wagoneer is really a "Jeep" vehicle at heart.

The "Jeep" Wagoneer goes up steep hills, over rough rugged terrain and through snow and mud that leave other cars helpless. And around slippery turns that cause listhaling and skidding. It hugs the road with traditional "Jeep" traction.

The big reason is 4-wheel "Drivepower." All four wheels are power wheels instead of just two. Take a demonstration drive soon. You've never driven a car that can do the things this one can.

Meet Masaji Okubo, Foreign Exchange Student

PASTOR HAROLD NELSON, Masaji Okubo, Mark Nelson and Mrs. Nelson.

By Pearl Kapell

Masaji Okubo has chalked off several "firsts" since he came to America and Antioch back in August.

Masaji played football for the first time in physical education class at Antioch High School recently; he rode horseback for the first time; he played softball for the first time (the Japanese play ball with a smaller, hard ball used by league teams in this country) and he slept in a bed for the first time.

Masaji is Antioch's own Foreign Exchange student. His home is in Tokyo, Japan, but for the next year he will live at the home of Rev. and Mrs. Harold Nelson in Lindenhurst and attend Antioch Community High School.

Masaji is in this country under the auspices of the American Field Service. The Student Council at Antioch High School spearheaded the move to organize an Antioch chapter of the American Field Service, and bring a foreign student to our town. Winning the privilege of spending a year in the U. S. was not an easy task. Masaji had to take numerous tests. There were twenty applicants for every opening the American Field Service had for the students. Masaji was one of those chosen.

He's had five years of English in Tokyo schools, and speaks the language quite well. Reading and writing English are a different thing than speaking it, though, and he's struggling with his high school studies. He quite often has difficulty finding the right English word to express his thought, too, and then he dashes for his dictionary.

"Did your parents worry about your coming to the U. S.?" I asked him.

"They worry," Masaji said slowly, "but that's all right. I think perhaps he meant 'normal.' But they were glad I could get this chance."

Masaji hopes to enter the College of Foreign Studies when he goes back to Tokyo next year. "But I don't know if I'll pass all those entrance exams," he said deprecatingly. "There are very many, and they're very hard. I think maybe I won't pass."

"Oh, you'll pass," said young Mark Nelson, also a

senior at Antioch High School. "You passed all those tests to get here."

After he finishes college, Masaji hopes to be an interpreter.

Although American food is very different from the meals he's accustomed to, the Nelsons say Masaji is very adaptable, and eats most of the foods they serve. I asked him what a typical meal at home would be.

"For breakfast," Masaji said, "Japanese soup, rice—we have rice for every meal, but not the kind you have here. And seaweed. That is very good, seaweed." He looked rather wistful, remembering seaweed.

"It looks like paper, very thin pieces," he explained the seaweed further. "And tea, of course. We have tea every meal, too. But not the kind you have here. It's green tea—I tried some here but I don't like it."

Reverend Nelson explained that they had served black tea, but Masaji preferred milk. "The rice at home is very different from what you have here. And at home, the meal is all cut up in small pieces, not the way you serve it."

American young people work very hard and play very hard, Masaji says. Yet at home, he told us, students go to school six days a week. Last year he carried 19 subjects as a junior in high school.

He finds American students very friendly, he said. And their attitude toward teachers much different than that at home.

"At home," he explained, "the student bows to the teacher each time he meets

him, during the day, in the hall, anywhere. Here, the teachers are very friendly, much easier to talk to. I like that."

Masaji was surprised to find high school students here working "on" jobs outside school hours. "At home," he said, "students are just students, they don't work. They wear a uniform of their school whenever they leave the house. Well, they don't always, but they're supposed to. So they can't have jobs."

All young people in Japan can go to high school, Masaji says, if they have their parents' consent. If they don't have enough money to go, the government pays for it. But if their parents don't consent, they can't go.

Japan has become a curious mixture of the old and the new, the east and west, Masaji says, with Western habits taking over. A man will go to work in a western-style business suit, and come home and exchange it for a kimono in his home.

"Masaji says," Rev. Nelson interjected, "that a Japanese man may sit at home relaxing in a kimono, drinking a Coke."

Masaji nodded. And sometimes, he said, they'll have their meals from a table, western style. The next meal, perhaps, sitting on the floor. One meal, they may use silverware; the next, chopsticks.

With two of their family away at college now, the Nelson family is Mr. and Mrs. Nelson; Mark, a senior in high school, and Sonja, in seventh grade.

"Masaji is so courteous, so polite, so well-behaved, we hardly know he's around,"

Mrs. Nelson said. "None of us has ever regretted for a moment that we took him." Rev. Nelson added, "We enjoy his company and are learning a lot, too."

Masaji's family at home, in addition to his mother, father and grandmother, includes three sisters and one brother. Masaji is the youngest. He has an album of photographs, and showed us pictures of his amazingly young-looking parents. I guessed his father's age at 45—"He's sixty," Masaji laughed. His grandmother was pictured proudly holding a congratulatory scroll she received on her eightieth birthday. "She's 83 or 84—I'm not sure," Masaji said.

Masaji's taking all the English courses he can at Antioch High School. If you're fortunate enough to get to know him, we're sure you'll approve the choice of the American Field Service.

PTA Urges More State Aid, Vote For Annual Sessions

The Illinois Congress of Parents and Teachers will undertake a state-wide campaign to raise the level of state financial aid to schools. It was announced at the September quarterly meeting of the board of managers held in

the Hilton Hotel, Chicago. "We hope to involve every one of the 687,884 PTA members of the PTA local units in the state of Illinois, in this major campaign to help relieve the dire financial condition of the Illinois public schools," said Mr. Milton L. Litterat, President ICPT.

Mrs. Barry Norton, Legislative chairman ICPT, said that many school districts have reached the limit of their taxing powers, but more money is needed if our children are to get quality education. She outlined the details of the campaign which will be announced publicly within the next few months. Mrs. Norton urged all PTA members to support the Blue Ballot for Annual Sessions of the Illinois state legislature, and distributed promotional

material in support of the Blue Ballot to each director of the 36 PTA districts in the state of Illinois.

Legal Notice

NOTICE FOR LEASE
Notice is hereby given that sealed bids will be received by the Board of Trustees of the Village of Antioch, Lake County, Illinois, at the regular meeting, Tuesday, October 20, 1964, until Eight o'clock P.M., said meeting to be held at the Antioch Village Hall, Antioch, Illinois, for the leasing for a term of 99 years of the real estate which has not been used for any municipal purpose, and which is described as follows, to-wit:

The West 40 feet of the East 170 feet (except the South 1 foot thereof) of Lot 80 in County Clerk's Subdivision of unsubdivided lands in Sections 7, 8, 17 and 18, Township 46 North, Range 10, East of the 3rd P.M., in Lake County, Illinois.

The lease shall contain a provision that said real estate shall not be fenced or improved with any buildings and shall be used only for parking without charge and for ingress and egress.

BROILED TABLERITE STEAK IGA

Set thermostat at 550° F., or to "Broil." Place steak on the heated broiler rack. Adjust or set unit so steak is about 2" from heat. (Place thick steak further from heat.) If gas heat is used, close door. If electric range is used, leave door open. Broil on one side till nicely browned. Season, turn and brown on other side. Use tongs or spatula to turn. Serve immediately on heated platter. Brush steak with following mixture: 1/4 cup melted Table Rite Butter, 1 tbsp. lemon juice, 1/2 tsp. salt, 1/4 tsp. pepper, 1/4 tsp. dry mustard, 1 tsp. Worcestershire Sauce. Sprinkle with chopped parsley.
